## Exchange Program RMA Number Request Form

**Instructions:**

1. Fill out this Form and return it by fax or email it to RMA@magseal.com.
2. Our RMA department will contact you with an RMA number.
3. Please mark the outside of the package and all paperwork with the RMA number.
4. **Magnetic Seal parts eligible for Exchange are 77044-1, 81015-1, 76022-1, 81109-1, and 81109-2. Please note that since the 81109-2 seal is an improved, "drop-in" replacement for the 81109-1, it will be furnished instead of the 81109-1 seal. Also, we will exchange our competitors' parts if they are used in the same application.**
5. If a non-eligible part is received by Magnetic Seal, it will be returned at the sender's expense.
